EVAN · HOME WORKOUT · ~30 MIN

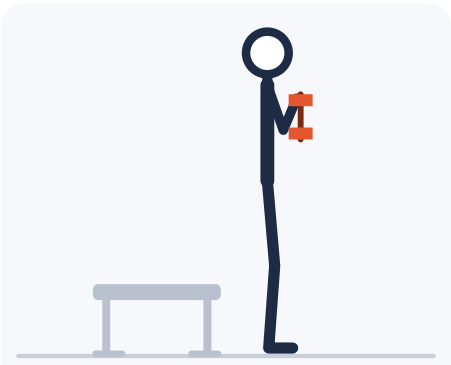

Day A · Fridays

Alternate Day A and Day B. Weeks 1–2: learn the movements.

WARM-UP 5 min

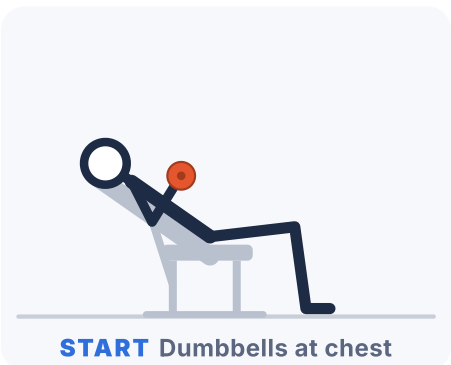

1. **Row, easy pace** — 3 min
2. **Band pull-aparts** — ×15
3. **Bodyweight squats** — ×10
4. **Arm circles** — forward & back

1 Goblet squat to bench — 3 × 8–10

- Hold the dumbbell upright at your chest, elbows down
- Sit back and down until you lightly touch the bench
- Knees track over toes, then drive up and stand tall

2 Incline dumbbell press — 3 × 8–10

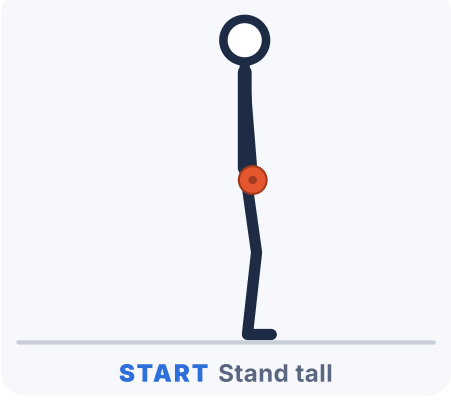

- Bench on a low incline (about 30–45°), feet flat on the floor
- Lower to chest level, elbows about 45° from your sides
- Press up over your upper chest; lower slowly

3 Ring row (or band-assisted) — 3 × 8–10

- Body straight from heels to head; squeeze your glutes
- Pull your chest up to your hands, elbows back past your ribs
- Stand more upright to make it easier

4 Dumbbell Romanian deadlift — 2 × 10

- Soft knees; push your hips straight back
- Back flat, dumbbells close to your legs
- Lower to just below the knees, then squeeze glutes to stand

FINISHER rower

Row: 5 min steady

Pace where you can talk, but only just.

COOL-DOWN 3 min · foam roll

- **Quads** — front of thighs
- **Upper back** — lie on roller, arms crossed
- **Calves** — one leg at a time

Stop each set with ~3 reps left in the tank for weeks 1-2. Add 5 lb when all sets feel easy.
