EVAN · HOME WORKOUT · ~30 MIN

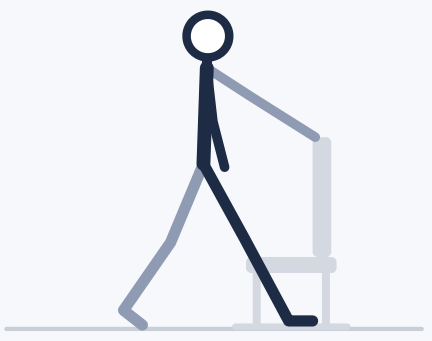

Day B · Sundays

Alternate Day A and Day B. Weeks 1–2: learn the movements.

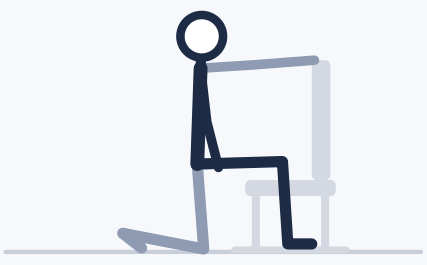

WARM-UP 5 min

1. **Row, easy pace** — 3 min
2. **Band pull-aparts** — ×15
3. **Bodyweight squats** — ×10
4. **Arm circles** — forward & back

1 Split squat (hold the bench) — 3 × 8 each leg

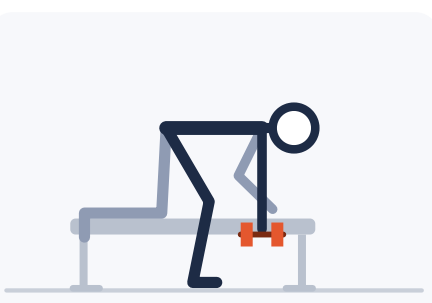

START Split stance

END Lower down

- Long stance; one hand on the bench just for balance
- Drop straight down until the back knee is just off the floor
- Torso tall, front knee over toes; push up through the front foot

2 Single-arm dumbbell row on bench — 3 × 10 each side

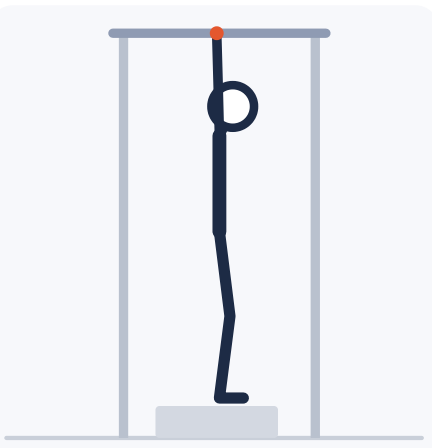

START Arm long

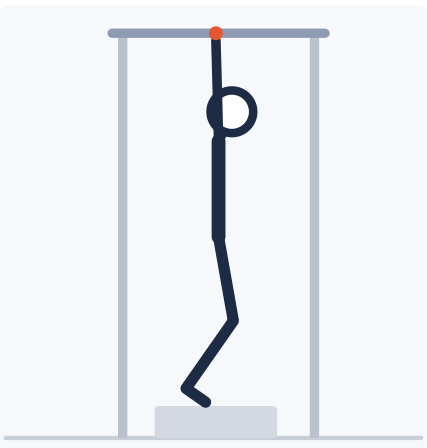

END Elbow to hip

- Knee and hand on the bench, back flat like a table
- Let the dumbbell hang, then pull your elbow back toward your hip
- Don't twist your torso; lower slowly

3 Dead hang — 3 × 15–20 s

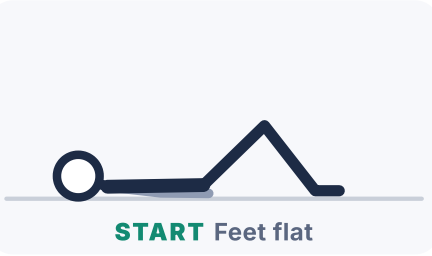

START Grab the bar

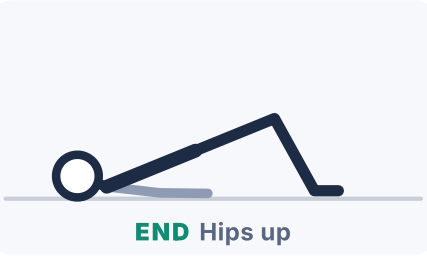

END Hang

- Overhand grip, hands about shoulder width
- Arms straight; gently pull your shoulders down from your ears
- Toes can stay on the box to take some weight; step down, don't drop

4 Glute bridge — 3 × 12

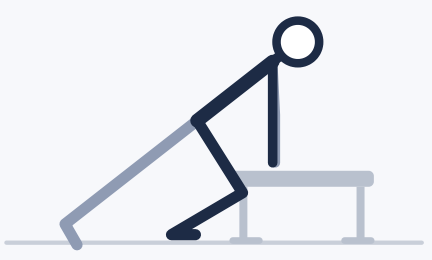

START Feet flat

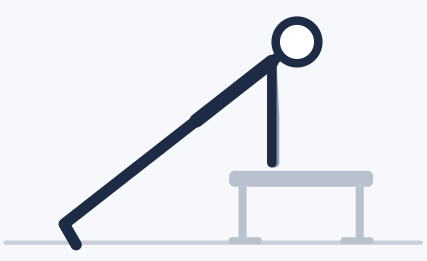

END Hips up

- Feet flat and hip-width, heels near your butt
- Squeeze glutes and lift until knees, hips and shoulders line up
- Pause 1 s at the top; don't arch your lower back

5 Incline plank on bench — 3 × 20 s

START Set up: step back

END Hold

- Hands on the bench, right under your shoulders
- Step feet back to a straight line from head to heels
- Squeeze glutes, brace your abs, keep breathing

FINISHER rower

Row intervals: 30 s hard / 60 s easy × 5

Hard = strong, quick strokes. Easy = slow and relaxed. 7.5 min total.

COOL-DOWN 3 min · foam roll

- **Quads** — front of thighs
- **Upper back** — lie on roller, arms crossed
- **Calves** — one leg at a time

Stop each set with ~3 reps left in the tank for weeks 1-2. Add 5 lb when all sets feel easy.
